

FINAL MILE SERVICE

From the First Mile, to the FINAL MILE

E-commerce shopping has grown substantially and it has become normal to purchase large items via the internet. This way, customers can have their freight delivered to a residence or business either curbside or directly to the doorstep.

Going the Final Mile

We are dedicated to providing service-based shipping options to our customers by tailoring each logistics solution to specific needs. Final Mile Liftgate Service is essential at point-of-delivery for customers who do not have access to a shipping/loading dock to safely unload freight. Final Mile Liftgate Service is essential for many companies and nearly all residential shipments.
